REMARKS/ARGUMENTS

The claims in the application have now been restricted to claim 8 which was indicated as being allowable. In reviewing this claim we noted that although claim 8 was to be written in independent format, it incorrectly still made reference to claim 7, although the limitations of claim 7 had already been included in the claim. This problem has now been corrected.

As claim 8 is the only claim remaining in the application, it is believed the application is now in condition for allowance.

Respectfully submitted,
